

■ **MBD GROUP LAUNCHES PHYSICS TEXTBOOK AT WORLD BOOK FAIR**

MBD GROUP launched Modern's abc+ of Physics for Grades XI & XII in the New Delhi World Book Fair 2019. The book has been written by Uttam Narayan Tripathi, an IIT-Kanpur alumnus. It features detailed solutions of NCERT, solved examples and practice problems, thought-provoking questions, short answer questions, long answer questions and numerical problems, and previous years' questions from CBSE exams, various state boards, AIPMT/NEET, AIEEE/JEE Main (online and offline), IIT JEE/JEE Advanced of last 10 years, which will be helpful for students in their preparation for the board and entrance exams.
