Covid-19 has introduced new dimensions to the hospitality sector. Having passed through unprecedented times, Radisson Blu MBD Noida is all set to welcome its guests and patrons with enhanced guests experience and redefined safety protocols.

Speaking on the occasion, Sonica Malhotra, Joint Managing Director, MBD Group said, "We are happy to welcome back our beloved guests and patrons to enjoy trendsetting hospitality and services which we have built over the years. It's exciting that with the start of the wedding season there's a huge jump in the queries for intimate weddings apart from customised meeting requirements for the corporate guests. The Covid-19 situation has necessitated that we go the extra mile to ensure a safe experience for all. As a team, we aim to work tirelessly to recreate the magic and ensure a memorable experience for all."

In order to secure safe environment for patrons and guests, Radisson Blu MBD Noida has aligned itself to the latest safety protocols specified by the World Health Organisation (WHO) and MHA. The hotel is leveraging technology as an enabler to deliver seamless experience to its guests and implementing social distancing measures throughout the hotel. The hotel is ensuring all safety requirements and necessary precautions including routine and enhanced sanitisation so that the guests enjoy unprecedented services and distinctive experience with peace of mind.

The hotel is also launching some innovative offerings such as Autumn Sale for Rooms and Banquets, Daycation & Staycation packages for Rooms with extended benefits and also providing exclusive F&B offers for Club MBD (F&B Loyalty Program) members.
